## SOFTWARE ENGINEERING STUDENT

 rumeyskaraa@gmail.com  +90 535 307 22 53 / +33 7 58 65 01 84  engrumeysakara

### EDUCATION

**CESI Graduate School of Engineering, France**

Computer Science,  
Exchange Semester  
Sep 2025 – Jan 2026

**Fatih Sultan Mehmet Vakif University, Turkey**

B.Sc. in Software Engineering  
Oct 2023 - Current

### SKILLS

- Flutter, Dart, MVVM
- C#, .NET MVC
- Java, C (OOP, academic projects)
- Python (data analysis, AI)
- SQL
- HTML, CSS

### LANGUAGES

- English *C1*
- Turkish *Native*

### ABOUT

I am a motivated third year Software Engineering student with practical experience in mobile and web development using Flutter and .NET technologies. I have completed an Erasmus exchange semester at CESI in France and am looking to further develop my technical skills in a professional environment.

### EXPERIENCE

**MOBILE APPLICATION DEVELOPER INTERN**

IETT – Istanbul | Jul 2025 – Aug 2025

- Developed mobile application modules using Flutter and MVVM architecture.
- Implemented data models and validation logic.
- Improved UI performance through testing and debugging.

**FULL-STACK DEVELOPER INTERN (.NET)**

IETT – Istanbul | Jun 2024 – Oct 2024

- Developed web features using ASP.NET MVC and C#.
- Integrated SQL databases.
- Supported testing and deployment processes.

**ROCKET TEAM VICE CAPTAIN & STRUCTURAL LEAD**

Mar 2024 – Sep 2025

- Led CAD-based structural design tasks.
- Supported flight simulations using MATLAB/Simulink.
- Coordinated technical sub-teams.

### CERTIFIED TRAININGS

- Text Mining & NLP Training
- English Language Program in England (Full Scholarship)
- Deneyap Kart Academy (IoT, motor control, Bluetooth)
