EDUCATION

CESI Graduate School of Engineering, France

Computer Science,
Exchange Semester
GPA - 3,66
Sep 2025 – Jan 2026

Fatih Sultan Mehmet Vakif University, Turkey

B.Sc. in Software Engineering
GPA- 3.12
Oct 2023 - Current

SKILLS

- Flutter, Dart, MVVM
- C#, .NET MVC
- Java (OOP, academic projects)
- Python (data analysis, AI)
- SQL
- HTML, CSS

LANGUAGES

- English *C1*
- Turkish *Native*

ABOUT

Software Engineering student at Fatih Sultan Mehmet Vakif University with Erasmus experience at CESI in France. Currently interning at Ziraat Technology, with previous experience at IETT and an upcoming internship at ROKETSAN. Seeking opportunities to further develop my technical skills and gain practical experience.

EXPERIENCE

FULL-STACK DEVELOPER INTERN (.NET)

Ziraat Technology – Istanbul | July 2026 – August 2026

- Developed a web application using .Net (C#).
- Designed and implemented SQL database structures and CRUD operations.

MOBILE APPLICATION DEVELOPER INTERN

IETT – Istanbul | Jul 2025 – Aug 2025

- Contributed to a production-level mobile application using Flutter (Dart).
- Developed application modules using MVVM architecture.

FULL-STACK DEVELOPER INTERN (.NET)

IETT – Istanbul | Jun 2024 – Oct 2024

- Developed web applications using ASP.NET MVC (C#).
- Designed and implemented SQL database structures and CRUD operations.

ROCKET TEAM VICE CAPTAIN & STRUCTURAL LEAD

Mar 2024 – Sep 2025

- Led structural design processes.
- Managed sub-teams and coordinated technical tasks.
- Prepared flight simulation reports using MATLAB/Simulink.

CERTIFIED TRAININGS

- C1 English Language Program in England (Full Scholarship)
- Text Mining & NLP Training (YAZSUM)
- Deneyap Kart Academy (IoT, motor control, Bluetooth)
