

RÜMEYSA KARA

SOFTWARE ENGINEERING STUDENT

 engrumeysakara.github.io/portfolio/  rumeyskaraa@gmail.com  +90 552 277 22 53  linkedin.com/in/engrumeysakara

EDUCATION

CESI Graduate School of Engineering, France

Computer Science,
Exchange Semester
GPA - 3,66
Sep 2025 – Jan 2026

Fatih Sultan Mehmet Vakif University, Turkey

B.Sc. in Software Engineering
GPA- 3,35
Oct 2023 - Current

SKILLS

- Flutter, Dart, MVVM
- C#, .NET MVC
- Java (OOP, academic projects)
- Python (data analysis, AI)
- SQL
- HTML, CSS

LANGUAGES

- English *C1*
- Turkish *Native*

ABOUT

I am a motivated third year Software Engineering student with practical experience in mobile and web development using Flutter and .NET technologies. I have completed an Erasmus exchange semester at CESI in France and am looking to further develop my technical skills in a professional environment.

EXPERIENCE

MOBILE APPLICATION DEVELOPER INTERN

IETT – Istanbul | Jul 2025 – Aug 2025

- Contributed to a production-level mobile application using Flutter (Dart).
- Developed application modules using MVVM architecture.

FULL-STACK DEVELOPER INTERN (.NET)

IETT – Istanbul | Jun 2024 – Oct 2024

- Developed web applications using ASP.NET MVC (C#).
- Designed and implemented SQL database structures and CRUD operations.

ROCKET TEAM VICE CAPTAIN & STRUCTURAL LEAD

Mar 2024 – Sep 2025

- Led structural design processes.
- Managed sub-teams and coordinated technical tasks.
- Prepared flight simulation reports using MATLAB/Simulink.

CERTIFIED TRAININGS

- C1 English Language Program in England (Full Scholarship)
- Text Mining & NLP Training (YAZSUM)
- Deneyap Kart Academy (IoT, motor control, Bluetooth)
